

**Apply now  
for the \$3,000  
Small Business  
Recovery Grant**

**See eligibility**

The new **Small Business Recovery Grant** for up to **\$3,000** is now open for applications to help you rebuild your business.

You can use it to cover:

- marketing and advertising expenses
- fit-out changes
- staff training expenses to work in a **COVID Safe way**

If you're a small business owner in an industry that's been highly impacted by COVID-19 you may be eligible for this grant. **Applications close 16 August 2020.**

## Free mental health programs for your workplace

Training and advice is available for workers, managers and business owners of private sector businesses with less than 200 employees. Develop the mental health capability of your workplace with these resources:

- **a three-hour online workshop delivered by a clinical psychologist** to assist you in identifying the signs of mental ill-health among your staff
- a one-hour online training session to help you **develop techniques that improve wellbeing**, and better support your team
- **work health and safety advice specific to your business** provided by an organisational psychologist. Learn how to better manage teams remotely and strategies to ensure wellness **while staff return to work**

**Become a COVID Safe Business**

Let customers know they can **safely do business with you** by downloading and completing your **COVID-19 Safety Plan**. There are different plans available for different industries, each has useful advice for creating a COVID Safe workplace.

Once you have completed your COVID-19 Safety Plan, register it online. Then **promote that you're a COVID Safe business** by displaying a badge and poster on your premises.

## Apply for COVID-19 Land Tax relief

If you're a commercial or residential landlord who has reduced your tenants' rent due to COVID-19, you may be **eligible for land tax relief: up to 25% of your 2020 land tax liability and a 3 month deferment on paying your land tax.**

This relief applies to landlords who agreed to a rent reduction without any requirement for it to be paid back later.

## Changes to the rules as businesses reopen

Over the coming months restrictions will gradually ease for a range of businesses, industries and services. **See our easy summary that shows current and upcoming changes across 23 industries.**

As staff return to workplaces, it's **important for everyone to stay healthy and safe** by:

- following the restrictions on gatherings and use of premises
- maintaining a physical distance of at least 1.5 metres from others
- practising good hand washing hygiene
