

Director ID

The Australian Securities and Investments Commission (ASIC) have introduced from 1 November 2021 the requirement for company directors of Australian corporations to hold a director identification number (director ID) which is a unique identifier given to a director.

In order to apply for your director ID you will need to set up a myGovID (if you don't already have one) to verify your identity with the Australian Business Registry Services (ABRS), this can be done online at <https://www.mygovid.gov.au/set-up>.

Once you have verified your identity you can apply for your director ID via the ABRS website at <https://www.abrs.gov.au>.

We are unable to set up your myGovID and apply for the Director ID on your behalf, this must be done by you, however if you require assistance please do not hesitate to contact this office.

Please note that you must apply for your director ID within the time frames listed below
